Remarks:

- Above rates are quoted in US Dollars.
If payment is effected in RUR, the exchange rate of Central Bank of the Russian Federation on the date when Bill of Lading is issued, shall be applied.
- The rates include VAT 0%.
- The given rates include BAF.
- Above freight rates become effective from February 01st, 2012.
- Above rates include twelve days of free usage of a container owned/leased by line, from the day on which discharge was completed in Magadan port; thereupon Customer pays: from the 13th to the 22nd day - RUR 200/20' DC/HC/FR, RUR 400/40' DC/HC/FR per day; after the 23d day - RUR 350/20' DC/HC/FR, RUR 500/40' DC/HC/FR per day.
Demurrage is to be computed as the freight rate multiplied by the total number of days throughout the container has been used.
- The laden SOC rates include nine days of storage in Magadan port until consignee takes receipt of cargo, beginning from the date when container was discharged.
- Empties repositioning fee include storage costs in Magadan port until the scheduled liner vessel arrives.
This applies only to SOC's delivered to Magadan by the Carrier's liner vessels.

8. The rates are subject to THC in Ningbo, China: CNY 600/20' DC/HC- CNY 900/40'DC/HC.
9. The freight rates include ocean freight and stevedorage in ports of loading/discharge/transshipment.
10. Dangerous Goods Surcharge : USD 700/20'DC/HC, USD 900/40'DC/HC.
Dangerous Goods are carried upon carrier's confirmation.
11. Flat Racks and Open Tops with off-gauge cargo inside a container are carried under specific provisions after the applying rates are mutually agreed.
12. Any expenses in respect of container operation (pre-trip, temperature condition, cleaning, obtaining of health certificates etc.) are paid by Shipper/Consignee.
13. Carrier shall be entitled to adjust BAF as the bunker price may change.

Remarks for transshipment via Vladivostok:

1. Two days prior to vessel arriving to the ports of Russian Federation Client (Shipper or Consignee) shall furnish Carrier or Agent of Carrier in the port of clearance with full set of cargo documents, required by veterinary, customs and sanitary regulations necessary to arrange in transit clearance.
2. The given rates include 21 days of storage at Vladivostok Sea Container Terminal required for in transit clearance completing. The storage fee for the containers under customs control over 21 days is charged as follows, including VAT 0%:
