Remarks:

1. Above rates are quoted in US Dollars including VAT.

If payment is effected in RUR, the exchange rate of Central Bank of the Russian Federation on the date when Bill of Lading is issued, shall be applied.

2. The rates become effective from December 01st, 2011.

3. Two days prior to vessel arriving to Vladivostok/Vostochniy port Client (Shipper or Consignee) shall furnish Carrier or Agent of Carrier in Vladivostok port with the documents below mentioned, necessary to complete internal customs transit procedure:

a) Commercial Invoice in English and in Russian,

b) Packing List in English and in Russian,

c) the goods classification code determined pursuant to the Nomenclature of Goods subject to Foreign Trade (up to six symbols for every specific goods),

d) veterinary or health certificate, if required,

e) any supplement documentation as Customs House may require.

4. Above rates include 20 (twenty) days of free usage of a container owned/leased by line,

from the day on which discharging was completed in Magadan port; thereupon Customer pays:

from the 21st to the 30th day - RUR 375/20' DC/HC, RUR 500/40' DC/HC per day;

after the 31st day - RUR 550/20' DC/HC, RUR 700/40' DC/HC per day.

Demurrage is to be computed as the freight rate multiplied by the total number of days throughout the container has been used.

5. The drop-off fee for empty SOCs does not include storage costs in Vladivostok/Vostochniy ports.

6. The rates are subject to THC in the origin/destination ports in CY PRC ports - CY Vladivostok/Vostochniy direction:

THC	LADEN CONTAINERS		EMPTY CONTAINERS			
	20'	40'	20'	40'	20' Direct Multimodal Service by Railway and by Sea	40' Direct Multimodal Service by Railway and by Sea
THC (NINGBO)	600 CNY	900 CNY				
THC (VLADIVOSTOK)	150 USD	200 USD	50 USD	50 USD	150 US	200 USD

7. The freight rates include stevedorage in ports of loading/discharge/transshipment.

8. The given freight rates for COCs in CY Ningbo - CY Vladivostok/Vostochniy include drop-off fee of empty container to VVO.

9. Dangerous Goods Surcharge : USD 175/20'DC/HC, USD 200/40'DC/HC.

Dangerous Goods are carried upon preliminary carrier's approval.

10. Flat Racks and Open Tops with off-gauge cargo inside a container are carried under specific provisions after the applying rates are mutually agreed.

11. Any expenses in respect of container operation (pre-trip, temperature condition, obtaining of health certificates etc.) are paid by Shipper/Consignee.

12. Carrier shall be entitled to adjust BAF as the bunker price may change.
